***Detailed Action***

This is the third Office Action corresponding to communication filed Jan 30, 2008. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action

***Information Disclosure Statement***

Receipt is acknowledged of Information Disclosure Statement filed Jan 30, 2008, which has been reviewed by the Examiner.

***Claim Rejections - 35 USC § 102***

Claims 1, 20, 23, 25, 26, 28, 29 and 31 are rejected under 35 U.S.C. 102(b) as being anticipated by Vecchiari (Pat No 5,481,931).

The patent to Vecchiari discloses at Fig 3 a plate (6), a drive (8), an actuator (12) and a bridge (see end connected to edge of the plate) which provides a pivot means.

***Claim Rejections - 35 USC § 103***

Claim 30 is rejected under 35 U.S.C. 103(a) as being unpatentable over Vecchiari. The material from which a device is made off is considered as an obvious matter of engineering choice having no patentable significance in the absent of unexpected results.

***Allowable Subject Matter***

Claims 21, 22, 24 and 27 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

***Response to Arguments***

Applicant's arguments filed have been fully considered but they are not persuasive. Contrary to Applicant's remarks the reference provide for an integral pivoting actuator means.

**Conclusion**

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
